Grand Knight Corner

"I Can Help" is the song that is popping into my mind after being recruited to assist with filling in for our Deputy Grand Knight Don Straffin while he recovered from some medical issues. After a few months of helping as Deputy Grand Knight the need arose for me to step in and finish the fraternal year as Grand Knight.

"Back in the Saddle Again" rang in my mind as I prepared for my first council meeting as the new Grand Knight. I must admit there are some changes to being Grand Knight now then in 12 years ago during my first time I was Grand Knight. Back then I was balancing a leadership position with the Cub Scouts (Cub master) and both of my boys were students at General Greene Elementary Schools. Now both boys are Eagle Scouts, Sean my oldest is a 3rd Degree Knight and a junior at

UNC Charlotte. Joe is a senior at Northwest Guilford High and just accepted a Dean's Scholarship from UNC Greensboro.

I look forward to completing this fraternal year and to staying on as Grand Knight for the 2018-2019 year. I'm very excited to be serving this Council with a great group of Officers that includes a past GK Glen Spivey as my Deputy.

Brothers we will be looking for a few members to assist with Program Chairs, so please consider leading your time to these valuable positions.

Recap of Fr. Lesak Visit

Fr. Lesak started the Saturday day of reflection with a Mass at 8 am with 75 in attendance.

After a brief intermission, the Day of Reflection started at 9 am and continued 2:30 pm followed by questions and answers.

The people who did attend were very attentive and enjoyed Fr. Lesak's presentation. The most common reaction was that they felt their minds were opened to a different

point of view. One new parishioner commented that she felt "lost" before attending the Day of Reflection - but after listening to Fr speak, her "faith was renewed".

The Membership Drive after each Mass, we had more Brothers help than required with answering questions and signing up new members.

We were able to collect 51 names of potential candidates. 6 signed up to attend this

week's 1st degree, with another 6 wanting to attend next month's 1st degree. We are still sifting through the cards and hope to get a few more commitments.

District Deputy Report

Many people right here in Guilford county have suffered significant losses from our recent tornadoes.

What a great reminder that we should be charitable to our neighbors.

So, as a good Knight, you ask, "what can I do to help?"

Many of you already helped by volunteering to do cleanup work. Others donated food, supplies and money, through our parish office.

Our Council joined forces with St. Mary's, St Paul's and Piedmont Councils to help children

from three schools that were significantly damaged. Those schools asked for our help to supply:

SCHOOL BACKPACKS filled with non-perishable individual snacks appropriate for children and adults.

SPX Parishioners donated the snacks, and our Council donated, filled and delivered the backpacks to St Mary's, who distributed them to the children who lost their backpacks in the tornado.

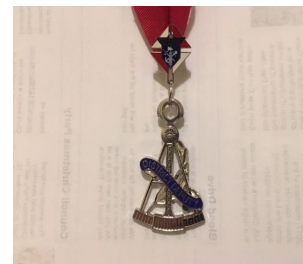

St Pius X Council will host Region 3 Leadership Training on Saturday June 9th in the

Simmons Center.

There will be over a hundred Council Officers from all over Region 3 attending. We need volunteers for Set Up at 8am and Clean Up at 4pm.

Please contact me [John Joyce] if you are able to help.

Thank you Brothers for all you do.

Knights of Columbus Field Agent Report

K of C Field Agent Report

May is Disability Insurance Awareness Month, Don't Assume You Can't Afford Disability Income Insurance

One of the biggest mistakes you can make regarding disability insurance is to assume you can't afford it or you won't qualify. Before you make that assumption, do some basic research and apply for coverage through the Knights of Columbus. The Order's Income Armor product gives you options that can help you fit this critical protection into your risk management budget.

Here are two ways you can reduce your premium:

1. Choose a two-year or five-year maximum benefit period.

Depending on your age, the best option is probably a policy that pays benefits until you reach age 67. But a two-year or five-year duration benefit period would cover disabilities you might encounter in your working life.

2. Choose a longer elimination period.

An elimination period is the number of days a total disability must exist before benefits begin to accrue. Typical elimination periods are 30, 90, or 180 days. Choosing a longer elimination period lowers the policy's premium. But be sure you have enough set aside in your contingency fund to account for the longer gap.

As your professional insurance agent, risk management is my specialty. Let's talk about how to protect your income, your retirement needs, and your family's financial future.
