The Knights of Columbus ministry "Coats for Kids" is a national program devoted to providing warm winter clothing to deserving children. To date; nationally, the Knights have donated half a million coats in N. America and Canada. To that end, St. Pius

X Council 11101 Knights of Columbus has recently delivered 168 winter coats to a local charitable organization, BackpackBeginnings, whose mission is to feed, comfort and clothe children in need. They are a volunteer effort providing comfort without charge to needy children in Greensboro and outlying communities. The funds to purchase the coats came from Brother Knights and the generosity of St. Pius X parishioners. BackpackBeginnings has interacted with SPX through our parish Director of Community Life, Carolyn Painley who coordinated this endeavor as well as at Cone and Irving Park Elem., Elm St. Head Start & Hope Academy. Thanks to all who have given so freely of their time and

treasure to create a more caring community life.

Wednesday, Dan Allen delivered the coats to the social worker up in Caswell county schools that had requested 12 coats (six girls and six boys aged 5-8). The social worker's name is: Brandi Teetor, LCSW School Social Worker, Caswell County Schools And the other person pictured is Kandi Butts, Data Manager.

## Grand Knight's Corner

The new goal that Supreme is moving forward is for our Knight's Councils to become more Faith Based and centered around the church and family. The new emphasis is to strengthen men and their families in the Catholic faith. Formation in our faith goes beyond mere facts or religious practice to an authentic connection with

a loving God and his son Jesus Christ. Programs in this category are designed to draw us closer to God and the Church in a tangible and meaningful way.

I would like to introduce two new programs that we plan to launch in the upcoming months that fit into this new direction from Supreme. The first pro-

gram is the Consecration of the Holy Family. To help families live out the joy of Christ we will recite a prayer to the Holy Family during mass. In this Prayer, we ask for the aid or intercession of the perfect son Jesus Christ, Mary the perfect mother and Joseph who is the model father.

## Grand Knight's Corner

This prayer is a reminder that we are choosing a way of life for your family. Through this consecration, each participant is consciously choosing to be a beacon of God's love through his Church.

The second program is the Novena for Life. This is a way to commemorate and bolster the culture of life, to defend the right to life of every human from the moment of conception to natural death. The program consists of 9 consecutive days of prayer. We are work-

ing with Monsignor on starting this program with a Mass on Thursday January 10. We will have planned prayer groups throughout the week and conclude a the 5:15 Mass on Friday January 18<sup>th</sup>. Why those days, because Friday the 18<sup>th</sup> is the National Walk for Life in Washington and this is our way to pray in solidarity with them.

Brothers these two new programs will require some help in participation and support. We will have more details about

the new programs in up coming months. Please avail yourselves to these programs as we continue to our goal of becoming a more faith based Council.

Vivat Jesus,  
Jim Duffy

## Pancake Breakfast & Bake Sale

Sunday, November 4, 2018, will be the monthly pancake breakfast and bake sale.

The event will be under the direction of Dan Curran and Company.

Dan has recruited some of the finest chefs and support personnel in the area. Several have fed the armed service men and women in our country.

In addition to the usual pancake

breakfast menu, Dan will feature his award winning bake goods for sale. It is a real treat for lovers of sweet goods.

Dan has enlisted the great bakers of the parish to provide all the goods.

Breakfast starts after the 9 am Mass and continues up to the 11:30 am Mass.

Don't miss out on this treat!

## District Deputies Report

Our District # 24 includes all 5 Councils in Guilford and Rockingham Counties. Until recently, we had a strong Second Degree team, but after some recent retirements, the team needed new manpower support.

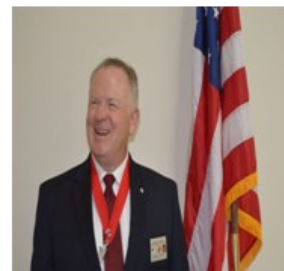

We now have several new volunteer team members: Jim Milanese, Scott Richter, Eric Brown, Dan Camia, Marshall Perry, Jorge Cortes and Tom O'Hanlon. Brother Ken Carty is still the team leader. He will continue coordinating the noti-

fication of team members of rehearsals and actual Second Degree dates.

Our Council and the others in our District need to thank these men for their service to our brotherhood. Their important rolls are very complex and require a significant amount of their personal time to memorize, not to mention the four Second Degree dates scheduled each year. Thank you very much to all of them!!! When you see them, thank them for their service.

Our next Second Degree is scheduled for Saturday, November 17th at 9:30AM at the Knights' Clubhouse.

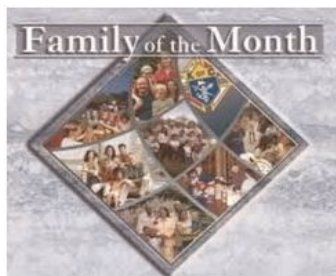

All candidates for this Degree must contact John Joyce, 336-814-5005.

## Knights of Columbus Field Agent Report

### **Think You Are Too Old for Coverage? Maybe Not**

You are never too young or too old to consider purchasing life insurance. If you have a financial need for coverage, or will in the future, a permanent life insurance policy can be just the thing you need.

When you are young and presumably healthy, coverage will be very inexpensive when compared to purchasing the same policies when you are older.

If you've put off purchasing coverage, or you realize that you may need additional insurance, the Knights may still be able to help you, even if other companies cannot. In fact, in 2012, the issue age of our permanent life insurance products was extended to age 80. In May of this year the Knights now offer a Term Life (inexpensive) policy in some cases to age 85. Naturally, your health, and whether or not you smoke, will be taken into consideration, so underwriting standards for risk and age apply. But, the extension is a great blessing for me – and it could be for you too. Now I can help members that I couldn't help before. Are you or one of your brother Knights, one of those members?

Whether you're 18 or 80, the Knights of Columbus has products that will work for you and your family. I look forward to discussing this in more detail with you. Please contact me at you earliest convenience.
